## WHO ARE WE?

The Backyard Showcase is a trusted builder of high-quality, handcrafted outdoor structures designed to enhance commercial and public spaces. Specializing in custom pavilions and pergolas, the Backyard Showcase combines expert craftsmanship with durable materials to create structures that are both visually impressive and built to last. From elegant timber frame designs to low-maintenance vinyl and classic wood styles, each structure can be tailored to meet your specific needs. With a strong focus on functionality, aesthetic appeal, and long-term value, these structures are ideal for creating shaded gathering areas, outdoor dining spaces, or standout features for weddings and events. Backed by years of experience and a commitment to excellence, The Backyard Showcase helps businesses and communities transform outdoor areas into welcoming, high-impact destinations.

# WHY BACKYARD SHOWCASE?

Buying a commercial pavilion or pergola from The Backyard Showcase means working with a team that values craftsmanship, customization, and long-term quality. We specialize in handcrafted structures made from premium materials like pine, cedar, and vinyl—designed for durability and visual appeal. What sets us apart is our attention to detail and fully custom builds that match your exact needs. With a strong focus on quality, honesty, and customer care, we create outdoor structures that are built to last and made to impress.

## BENEFITS

- Pre-cut kits ready to be assembled on the job site saving 70% in labor costs
- High-quality materials built to last
- Fully custom designs to fit your space
- Skilled craftsmanship with attention to detail
- Durable construction for heavy use and weather
- Attractive, professional look
- Friendly, reliable service from start to finish
- Low maintenance and long-term value

# NATIONWIDE DELIVERY

Backyard Showcases proudly offers dependable nationwide delivery, making it easier than ever to bring your dream outdoor space to life—no matter where you’re located in the lower 48. Whether you’re in a bustling city or a remote rural area, with our in house shipping we ensure your custom pergola or outdoor structure arrives safely, securely, and on schedule. Our team carefully packages each order to protect it during transit, and we provide clear communication throughout the shipping process so you’re always informed. With our nationwide delivery service, you can enjoy the convenience of professional-grade outdoor solutions delivered right to your doorstep, eliminating the hassle of sourcing and transportation. This commitment allows homeowners, landscapers, and designers across the country to easily access Backyard Showcases’ premium products and customization options, transforming outdoor living spaces with ease and confidence—no matter where your backyard is located.

# PAVILIONS

Timber Frame - Truss Pavilion - Park Pavilion - Custom

- Natural wood finish
- Expert craftsmanship

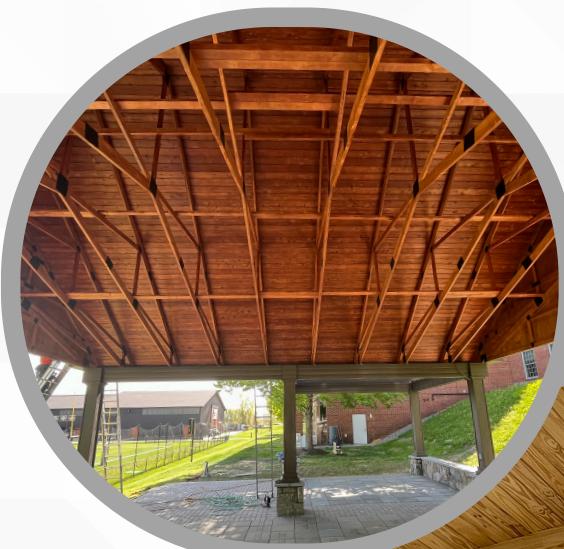

## TRUSS PAVILION

- Strong engineered truss design
- Clean, open look
- Durable and weather-resistant
- Low maintenance
- Custom sizes and styles
- Combines modern and classic
- Easy to install
- Versatile for many uses

# MATERIAL & CONSTRUCTION

Building a commercial pavilion with The Backyard Showcase starts with top-tier materials and expert construction methods designed for strength, durability, and long-term use. We use premium-grade lumber, weather-resistant vinyl, or engineered timber depending on the pavilion style, all selected to withstand the demands of outdoor environments. Our Timber Frame Pavilions feature traditional mortise and tenon joinery or a easy assemble post and beam construction. Roof systems are built with durable sheathing, metal or architectural shingles, and optional upgrades like cupolas or ceiling liners. Every structure is crafted with precision by skilled builders, ensuring it not only looks impressive but performs reliably in high-traffic, commercial settings.

# CUSTOMIZATION OPTIONS

**SIZING** - Fully customizable dimensions to fit your specific space and capacity needs.

**MATERIAL OPTIONS** - Choose from timber frame, wood, or low-maintenance vinyl, each offering unique strength and appearance.

**ROOFING STYLE** - Options include A-frame, hip roofs, and more, with metal or architectural shingles available.

**AESTHETIC CONSIDERATIONS** - Select from various stains, paint colors, post styles, beam designs, and decorative accents to match your setting or brand.

**PRACTICAL & CONVENIENT AMENITIES** - Add features like lighting, ceiling fans, cupolas, privacy panels, and electrical prep for enhanced comfort and functionality.

- Custom sizes & styles
- Decorative end cuts
- Open-roof design
- Handcrafted quality
- Add-ons available

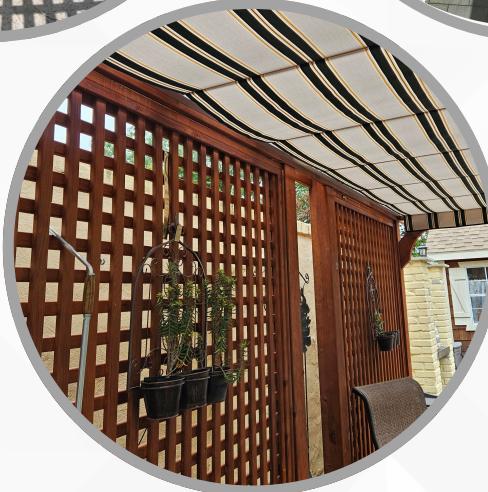

## PINE

- Pressure-treated wood
- Strong, commercial-grade build
- Custom sizes and layouts
- Classic wood look
- Decorative posts and ends
- Open-roof design
- Stain and color options
- Handcrafted quality
- Optional add-ons

# MATERIAL & CONSTRUCTION

Building a commercial pergola with The Backyard Showcase starts with high-quality materials and expert construction designed for lasting performance. Depending on your style and needs, we offer pergolas in premium pressure-treated wood, Western Red Cedar, or low-maintenance vinyl. Each structure is reinforced for commercial-grade strength, with thick posts, heavy-duty beams, and secure anchoring systems to withstand frequent use and outdoor exposure. Our pergolas feature customizable designs, decorative end cuts, and optional shade elements like purlins or canopies. Every piece is precision-cut and handcrafted by skilled builders to ensure a structure that is both durable and visually striking.

# CUSTOMIZATION OPTIONS

**SIZING** – Fully customizable dimensions designed to perfectly fit your backyard space and desired capacity.

**MATERIAL OPTIONS** – Select from durable wood, weather-resistant aluminum, or low-maintenance vinyl, each providing unique strength and style.

**ROOFING STYLE** – Choose from open slats, adjustable louvers, or solid canopy tops, with options for retractable fabrics or pergola covers.

**AESTHETIC CONSIDERATIONS** – Customize with various stains, paint colors, post shapes, beam designs, and decorative trim to complement your outdoor décor.

**PRACTICAL & CONVENIENT AMENITIES** – Enhance your pergola with integrated lighting, ceiling fans, retractable shades, privacy screens, and electrical wiring for added comfort and usability.

# STEEL PAVILIONS & PERGOLAS

Steel pergolas and pavilions offer strength, style, and low maintenance. Built to handle extreme weather without warping or sagging, their powder-coated finish resists rust, fading, and corrosion. With clean lines and customizable colors, they offer a sleek, modern look. Fire- and pest-resistant, they provide a safe, long-lasting outdoor retreat—making them a smart, durable investment.

**EXTREMELY DURABLE** – Withstands snow, wind, and sun without warping or cracking.

**LOW MAINTENANCE** – No staining or painting; powder coating resists rust and fading.

**MODERN STYLE** – Sleek lines and custom colors suit contemporary outdoor spaces.

**FIRE & PET RESISTANT** – Won't burn or attract insects; ideal for wildfire or termite-prone areas.

**LONG TERM VALUE** – Higher upfront cost pays off with minimal repairs and lasting performance.

# NORTH DAKOTA PROJECT

## 46' x 104' Pressure Treated Pine Pavilion

### PROJECT OVERVIEW:

This pavilion features an open gable roof, engineered glulam trusses, and pressure-treated wood. It includes 24 notched posts, a 3-ply header, T&G decking, and metal post brackets.

### UPGRADES & DRAWINGS:

The roof was upgraded to metal roofing. Shop and stamped engineered drawings were provided, with minor price adjustments. The pavilion was delivered as a DIY kit for easy assembly.

### COMPONENTS INCLUDE:

- 24 x 7x7 notched posts
- 3-ply 3" x 12" header (up to 18' span)
- Unfinished T\&G roof decking
- 2x8 half-moon braces
- Metal powder-coated post brackets
- Cement anchor bolts
- Hardware with assembly instructions
